Low Boy Drain Wagon with Pump out kit

Model # DR-037PK

Pump out Kit only

Drain Wagon

115v Evac Kit

Kit includes 115v impeller pump, discharge hose, mounting hardware, electric cord storage bracket

Model # DR-270

Heavy Duty Rolling Steel Truck Oil Drain

For draining oil and antifreeze from Heavy Duty trucks and RV's where a pedestal type drain is not suitable.

FEATURES

- 18 US gallon capacity
- Heavy duty Steel splash screen
- 8" height x 25 1/2" width x 47 1/2" length
- Heavy duty steel construction
- Side mounted gravity drain port with ball valve
- 3/8" NPT top mounted suction port for evacuation

JUMBO size developed especially for long pan transmissions like the E40D found in Ford F150's, F250's and F350's where the traditional size drain pans and funnels can't catch all of the drips during filter changes and servicing.

Model # TUB-2422

Used as a wash tub or drain tub for oil, antifreeze
Sturdy H.D. polyethylene construction
20 Ltr. capacity tub, 22"W x 33"L

Model # DP-800

24" x 36"
Drip Adapter

Model # DP-824

24" x 24"
Drip Adapter
