**2016
NEW M.T.O.**
Ruling mandates that
Windshield and side window
tinting must be measured
with safety inspections

EFFECTIVE JANUARY 1, 2017:

New York State Vehicle and Traffic law dictates that window tinting on windshield and side windows be checked during the yearly Inspection of a vehicle. A 2-piece Window Tint Meter is required to do inspections. Our Canbuilt Window Tint Meter **SI-200TNT** is compliant with the new laws in USA and in Canada.
