PORTABLE 6000 LB MID RISE PAD LIFT

All low and mid rise models lift cars, vans and light duty trucks. They are ideal for tire, wheel and brake related repairs, collision repair work and new car preparation. A comfortable 38" working height, twin cylinders and double safety locks make this portable lift an exceptional value. The VL- MRL638P is built for years of efficient, trouble-free service.

Model # **VL-MRL638P**
