

FLUID/WASTE OIL HANDLING EQUIPMENT

# Ideal for working on remote sites, on the road or outside the shop

- No constant air connection needed
- Handle motor oil, gear oil, power steering fluid, transmission fluid, wheel bearing fluid
- Highly mobile & portable

Includes:  
6 Suction Probes  
2 connectors for BMW,  
Mercedes & Volkswagen

**Air Operated  
Vacuum Oil Changer  
DR-130**  
**\$486.31**

Includes:  
High Viscosity  
Funnel #FF-230  
for clean and easy  
filling operation

**Pressurized  
Mobile Oil Dispenser  
DI-230**  
**\$415.00**

Item Number	DR-130	DI-230
Tank Capacity	30L/8 Gal.	30L/8 Gal.
Max. Working Press.	11/115 psi	145 psi
Flex Length	6.5'	6.5'
Gun Length	n/a	18.7"
Air Inlet	1/4" NPT Fem.	1/4" NPT Fem.
Weight	33 lbs	33 lbs
