Also GET **FREE** **EXTRA** **\$66.80**
Funnel Extension **in Savings**

Funnel Extension #DR-290FE

The DR-290VAC provides both,
gravity drain and suction extraction

- Drain waste oil into funnel and directly to tank or,
- Use included suction (wands) to extract oil from the vehicle via the dipstick tube into the clear chamber to inspect the quality and quantity of waste oil
- Suction extraction is widely used on new generation vehicles like BMW, VW and Mercedes
- Air extraction and evacuation into bulk storage is a clean and safe operation

**Included:
6 Suction Probes &
2 connectors for
BMW, MB & VW**

Item No	DR-290VAC
Tank Capacity	90L/24 Gal.
Chamber Capacity	8L/2Gal.
Total Suction Capacity	65-70L/11-12 Gal.
Air Pressure for Vacuum	100-115psi
De-pressurization Time	150-180s
Suction Speed	1.5-2 Lpm / 0.4-0.5gpm
Suction hose	6.5'
Collection Bowl Cap.	18L / 4.8 gallon
Collection Bowl Dia.	16"
Maximum Height	70.80"
Minimum Height	43.30"
Air Inlet	¼" NPT Female
Weight	95 lbs
