WASTE OIL DRAIN

A better option to drain wagons

2-in-1 Waste Oil Drain Unit for Trucks & Cars Model # **DR-290CAN**

Ideal for busy truck, fleet and agro shops. Slide the collecting tray under a truck or tractor and drain away. Otherwise, use one of the 6 provided probes and suction extract the oil through the oil dipstick tube with the Venturi-Vacuum system. This unit can be used with all vehicles. It comes with 6 probes and 2 adapters for BMW and Volkswagen.

When the vehicle is up on a hoist or on the ground, great capacity and mobility.
